Model Motoring HO Scale Slot Cars

Bring the thrill of driving your Camaro in doors with these officially licensed slot car replicas of the 1967 Camaro SS and the 1969 Camaro Z/28. Each car is done in the 'HO' scale which fits most Tyco and AFX slot-type electric racing track. Hours of fun and excitement will be had by all while you experience the thunder of racing these mighty miniature racers around the track.

Miscellaneous Decals

1969 Camaro Trans-Am 302 Fender Decal

Originally intended to be installed on the front fenders of the "unofficial/official factory backed" Trans-Am racing vehicles. These front fender decals somehow never found their way onto the original cars. In the spirit of the original racing series, these reproduction decals are now offered to those who never were intended to receive them... You the general public!

Camaro Technical Specs on CD-ROM

For the first time ever, Classic Industries® is proud to announce the most comprehensive and advanced resource for early Camaro information ever offered. These officially licensed CD-ROMs launch automobile specification manuals and research into the 21st century. The information provided on each CD-ROM includes original Camaro marketing ads, important diagrams, blueprints, charts and specifications. This unique concept gives you the ability to view on your personal computer, complete factory technical information specific to the year, make, model and engine of your vehicle. This is truly the most modern method now available for any restorer! CDs require Windows 95, Windows 98, Windows 2000, Windows XP or Windows NT and 32MB RAM.

The 1967-88 Camaro Reference Book from A to Z

By John R. Hooper

This is a detailed and well-written guide by world renowned Camaro expert and author John R. Hooper who has a reputation for getting very detailed and rare information on early Camaro facts and figures. This latest reference book deals with much of the rare and unknown information which has eluded the Camaro enthusiast. To date, there has never been a book which describes in detail and pictures all the rare optional parts and accessories which made Camaro famous! It deals with the most common base car information to the rarest options for 1967-68 including the 1967 Indy Pace Car and the early 1967 Z-28 of which only 602 were originally built! This is the first real comprehensive reference book on 1967-68 Camaros ever! You'll find everything you need in this latest "A to Z" reference book. This reference guide includes over 352 pages packed with text and contains over 400 photographs. Includes information on options, colors, base car, Rally Sport, Super Sport, COPO, convertibles, pace cars, Z-28s, special interest Camaros, Nickey Camaros, Yenko's, Gibb, engine codes, dating section, casting numbers, heavy duty parts list and much, much more!

The 1969 Camaro Reference Book from A to Z

By John R. Hooper

This is the first comprehensive book strictly dealing with the 1969 Camaro. This is the most detailed and informative book ever released on the vintage 1969 Camaro. This reference guide includes over 350 pages packed with some of the rarest information ever obtained on this legendary model. This is more like a manual than a book! It contains over 700 photographs depicting some of the most rare factory optional items as well as great photos on the cars themselves. This excellent book contains never before released information right from the factory and will serve as the new encyclopedia for 1969 Camaros for years to come. Much of the information in this book was taken directly from General Motors archives. This rare and factual information cannot be had in any other Camaro book currently being published. Includes information on options, colors, base car, Rally Sport, Super Sport, COPO, convertibles, pace cars, Z-28s, ZL-1s, special interest Camaros, engine codes, dating section and more! If you like Camaros and especially 1969s, then get your personal copy today.

The Conclusive Camaro Recognition Guide Volume I: 1967-69

By John R. Hooper

This 240-page book has been crammed with photos, charts, diagrams and illustrations on everything you always wanted to know about 1st generation Camaros. This book contains information on options, original pricing, engine codes and very valuable information of the Protect-O-Plate which offers a complete guide on how to "break it down" and find out for sure where your Camaro was built, what colors were originally installed in your interior, what date it was built and more.

L280 29.95 ea

The Illustrated Camaro Recognition Guide Volume II: 1970-73

By John R. Hooper

This is the first real book dedicated to the 1970-73 Camaros! With the popularity of these 2nd generation Camaros growing, there is finally a book you can obtain which offers all of the rare and obscure information you've been looking for! This reference guide includes over 200 pages packed with text and contains over 175 photographs. A must for the 1970-73 enthusiast!

1967 SYC 427 Yenko Hood

OER

Back in the midst of the factory muscle car era, there were several Chevrolet dealerships that decided to "up the ante". Two of these dealerships were Baldwin Chevrolet and Yenko Chevrolet which both created their own special Camaros. These super-high performance Camaros featured special distinctive hoods. Classic Industries is proud to offer a quality reproduction of this very hood which was originally found on 1967 Yenko SYC 427 Camaros, 1968 Baldwin Motion Camaros, and optional on 1969 Baldwin Motion Camaros. This reproduction can be installed on any 1967-69 Camaro.

Important: Not for use with original hood latch assembly. Hood pins recommended. Hood pin mounting locations are scored on underside of hood for easy drilling. Note: Shipped via truck freight, call or current rates to your area.

K1967

1968 SYC 427 Yenko Hood

OER

Once upon a time the only way to obtain this hood was to buy the entire vehicle from a Yenko dealer.

Classic

Industries now offers you the chance to purchase the hood separately! This all new fiberglass reproduction is an exact duplicate of the original article. Was originally installed on all 1968 Yenko SYC 427 Camaros. May also be installed on any 1967-69 Camaro for a retro performance or custom appearance. Recommended for use without hood springs. The K966 is for use with original style open element air cleaners. Includes 3" rise.

Important: Not for use with original hood latch assembly. Hood pins recommended. Hood pin mounting locations are scored on underside of hood for easy drilling. Note: Shipped via truck freight, call or current rates to your area.

Cowl Induction System

the ultimate in cowl induction replacement! Classic Industries® offers a complete reproduction of the original cowl induction air cleaner package for 1969 Camaros. Each kit is offered for the original engine assembly and includes the correct parts for each application. This air cleaner is a direct replacement for the original cowl induction style air cleaner which includes everything you need to completely install a functional cowl induction system. The original cowl induction style air cleaner system was optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396, 427 (ZL-1) or the Cast Iron

Block 427/425hp (COPO 9561) Camaros. The cowl induction system was also installed on dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. This air cleaner system requires a cowl induction hood to complete a fully functional system along with correct installation. Be sure to choose the correct kit for your year and model. Contact our sales department for more information.

Note: The cowl induction system requires a cowl induction hood for installation. If your Camaro wasn't originally equipped with a cowl hood, you can install the correct hood and add the cowl induction system to your vehicle. Also may be used on 1967-1968 Camaros with an owner installed cowl induction hood. Some items included in kit are not shown.

A complete Cowl Induction Package for 1969 Camaros. Includes virtually every item you need to completely install a Cowl Induction system . . . except the Hood!

- Air cleaner base
- Air cleaner lid
- Air cleaner extension ring

---------	---------	---------

1967-72 Air Cleaner Flame Arrestor

This small domed mesh cap, commonly known as the flame arrestor screen is an exact reproduction of the original. This item is usually missing or dented. Installs on the upper edge of the air cleaner tube where it protrudes through the inside of the air cleaner base. For use on all closed element, open element, cowl induction and dual snorkel air cleaners.

K0072	1967-72	8.95 ea
-------	---------	---------

Includes the air cleaner base,
filter and lid assembly!

1969 Basic Cowl Induction Air Cleaner

Reproduction of the original cowl induction air cleaner including correct black lid, base, and filter. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396 427 (ZL-1) or Iron Block 427 (COPO 9561) Camaros. This option was also included on other dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. The air cleaner requires a cowl induction hood for correct installation. This air cleaner does not include the extension or the flange. See part numbers C671 or C672 below for cowl induction air cleaners which include these items.

Note: Air cleaner extension, flange and hood seal are available separately. Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 1967-1968 Camaros with a cowl induction hood.

KW261	1969	chrome lid	179.95 set

*The air cleaner base, filter, lid, air cleaner to hood
extension and flange!*

Cowl Induction Air Cleaner with Extension and Flange

Reproduction of the original cowl induction air cleaner including correct black lid, base, filter, air cleaner to flange extension and the flange. The extension for a 302 is shorter than the extension on the 350. This was due to a high rise intake manifold which was factory installed on all 302 (Z-28) engines. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner which was optional on 1969 Camaros with 302 (Z-28), or SS-350 engines.

Note: This air cleaner does not include the air cleaner flange to hood seal (available separately). Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 67-68 Camaros with a cowl induction hood. Big block air cleaner does not include an extension since its not required.
